

RAPSCO

Regional Airline Parts Support Company

RAPSCO supports regional and private operators of the Metro and Merlin fleet around the world. **We are the PMA holder and sole distributor for selected Lord Corporation engine mount assemblies.**

The **RAPSCO** De-Swirlers is used by Metro & Merlin operators and owners around the globe. Our De-Swirlers has a **25 year guarantee** against material and manufacturing defects. **A guarantee that the O.E.M. can't touch! RAPSCO's PMA approved P/N: R2200868-1** directly replaces Honeywell P/N: 2200868-1.

RAPSCO has many new projects in work that are designed to be available, affordable and better than OEM original parts. At **RAPSCO**, we strive to not only make a better product but also to drop overall parts costs to operators and owners.

Since 1998, **RAPSCO** has been growing it's capabilities and continues to search for new opportunities to reduce your cost of operations by improving quality and reducing valuable maintenance labor. Give us a call and let us know what parts frustrate you from the O.E.M.

Call us today or email to customerservice@RAPSCO.com!
